Chinese Atv Repair

China ATV repair can be a very daunting task for people. When approaching a dealer for "the big three" Japanese brands, you'll likely get a resounding "NO, we don't work on those"! Most people will call the guy that sold them the ATV and if they are lucky, they get a replacement part! That won't do you much good if you can't diagnose the problem.

Another problem with Chinese ATV bikes is that they are hard to get serviced. You will not find many mechanics who can repair Chinese ATV bikes. In that case, you will have to send your ATV to the service center from where you bought it. If you have imported it from China then you need to send it there to get it repaired. But if you are lucky ...

Chinese ATV Repair & Service - Home | Facebook

Many "dealers" of Chinese quads had never done repair work on an ATV before and didn't know a spark plug from a cylinder! Another problem was that alot of people sought out to purchase the ATVs straight from a manufacturer. The problem is that a manufacturer usually assumes that there will be some dealer prep before the end user gets it.
