RN Clinical Documentation Specialist Jobs, Employment ...

The rewarding role of clinical documentation specialist October 6, 2014 Many organizations now have clinical documentation improvement programs (CDIs) designed to help an organization accurately reflect the quality of patient care, illustrate healthcare services, and make precise reports of diagnosis and procedures.

The rewarding role of clinical documentation specialist ...

The CDIS facilitates modifications to clinical documentation through concurrent (pre-bill) interaction with providers and other members of the healthcare team. He or she promotes capture of clinical severity (later translated into coded data) to support the level of service rendered to relevant patient populations. In addition, the CDIS will:
