An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.

Because a book cover is a visual component, you should begin by finding a designer whose style fits your book. Look through their portfolio for unique and original illustrations. You'll also want someone who can incorporate your vision into a visual reference. Sketching, digital graphics, or photography are also skills to look for.
