Finding And Funding Great Deals

Prior to the founding of Corridor Funding, real estate investors were limited to banks and traditional hard-money lenders as financing options, both of whom make the process complicated, drawn-out and ultimately riddled with unexpected expenses. We are positioned between the two traditional funding sources.

For our customers across the retail ...

Leasecake raises \$12M in funding

Look for properties listed for longer than 90 days. The 90-day mark is a key indicator that will signal the seller's motivation level. The longer a property stays on the market, the more motivated or desperate the seller will become. This can often lead to great deals and savings for investors if they can obtain MLS access. Search Online
