Amorality is an absence of, indifference towards, disregard for, or incapacity for morality. Some simply refer to it as a case of not being moral or immoral. Amoral should not be confused with immoral, which refers to an agent doing or thinking something they know or believe to be wrong.. Morality and amorality in humans and animals is a subject of dispute among scientists and philosophers.

Amorality - Wikipedia

The "Problem" of Multiple Theories of Emotional Intelligence to reflectively regulate emotions to promote emotional and intellectual growth (Mayer & Salovey, 1997). Like other intelligences, emotional intelligence is defined by Mayer and Salovey as a group of mental abilities, and is best measured using a testing situation that is ...
