HR Department Benchmarking Report (PDF) | OpsDog

Traditional HR benchmarking focuses on two things: cost and headcount. This approach focuses attention on HR's efficiency, not its effectiveness, and seldom reflects HR's effort to become a transformational, strategic part of the business. When HR focuses on the cost and the elapsed time it takes to deliver services, its focus is strictly operational — and when cost and effort dominate HR's contribution to designing new programs or deploying improvements, the opportunity to boost ...
