What does hurdling mean? - definitions

Hurdling is a track-and-field event in which runners race over a series of obstacles along a course. The obstacles, called hurdles, are set a fixed distance apart. During a race, runners must remain in their assigned running lanes. Although they may knock hurdles down while running over them, they may do so only with a leg or foot, not a hand.

hurdling - Students | Britannica Kids | Homework Help

Hurdle isn't just a noun, though. It's a verb with two meanings, one of which relates directly to the hurdles of track and field: "to leap over especially while running," as in "hurdling a fence." From that late 19th century meaning came an extended figurative use of "overcome" or "surmount," as in "hurdling adversity."
