Lies Across America What Our

Lies Across America is full of fascinating facts, challenging ideas and important insights. You will never read a roadside historical marker the same way again. -- Review. About the Author. James W. Loewen taught race relations at the University of Vermont.

Lies Across America: What Our Historic Sites Get Wrong ...

Published in 1999, Lies Across America contains 100 brief essays about the mistakes and misrepresentations that abound across the US on roadside history markers. First there are the blatant deceptions: Consider, for example, that The Native American tribe known today as the Delawares had that name foisted upon them by Europeans; its members referred to themselves as Lenape, which means "we are the people".

Lies Across America: What Our Historic Sites Get Wrong by ...

Lies Across America does for public historical markers and monuments what Lies My Teacher Told Me did for high school history texts -- expose the distortions, inaccuracies, omissions, back-patting, propaganda, and outright lies that appear across the American landscape, posing as history.

Lies Across America: What Our Historic Sites Get Wrong ...

Lies Across America, a 1999 book by James Loewen, is a sequel to his 1995 work Lies My Teacher Told Me.The book focuses on historical markers and museums across the United States, arguing that every historic site is "a tale of two eras": the one from when the event happened and the one from when the event was commemorated.

Lies Across America - Wikipedia

Lies Across America will make us think hard about how easily the public can be misled by a group determined to get their view of history displayed on our roadsides." —Robin W. Winks, Townsend Professor of History, Yale University "A marvelous review of America's past that will engage and delight the reader.

Lies Across America: What Our Historic Sites Get Wrong by ...

Lies Across America: What Our Historic Markers and Monuments Get Wrong shows how our shrines of public history suffer from the same kinds of omissions, distortions, and outright falsehoods that Lies My Teacher Told Me found in U.S. history textbooks. [Publisher's description.] Excerpt from the Introduction
