METAPHORS OF IDENTITY crosses and combines disciplines to examine the nature of identity in human society. Fitzgerald, in deftly separating "identity" from "culture," clearly provides a reasoned and critical view of social, biological, and political factors which thwart understanding and cohesion among groups of people.

Metaphors of Identity: A Culture-Communication Dialogue (S ...
We possess true identity when we belong to ourselves and not others. We find strength when we belong. Identity is shaped by positive and negative experiences. Our identity is never perfect; we must accept the good as well as the bad. We know our identity when we are happy with ourselves, not how people view us.

By referencing shared information, metaphors can help pull people into a sense of shared social or cultural space which, in turn, can create and/or confirm a sense of belonging.

Techniques Corner: Metaphors as Gateways to Identity and ...
Geert Hofstede and other interculturalists have proposed the metaphor of an 'onion' to describe cultural phenomenon. No matter what color an onion is on the outside, we are not sure what is inside. Only by peeling off layer by layer can we discover what is at the core. Cultural identity is similar.

Representing identity as an onion
After a first month of awe and wonder, culture shock set in. I felt isolated in a country where I had no friends, relatives, social contacts or support system. I grew up speaking English, yet couldn't understand cultural and historical references, symbols or metaphors and idioms in daily use.

Culture Metaphors Symbols - Metaphors, Culture and Symbols
The metaphor implies that culture is beyond individual control or individual characteristics, a system that is dynamic, with actions and reactions, yet mysteriously orderly. A related metaphor from Schein and Lewin is "unfreezing", which happens when cultural difference challenges the ego (the magnetic forces shift).

Metaphors for "Culture"
Political metaphors condition social reality and mediate authority. ... we read the traversal of the sea by both raft and asylum seekers towards a critique of Australian history and cultural identity. ...
