Postcolonial Theory And The Specter

Postcolonial Theory and the Specter of Capital is a 2013 book by the Indian sociologist and New York University professor Vivek Chibber. Coming from the radical Enlightenment tradition, this book is a critique of Postcolonial Theory. Chibber focuses on the Subaltern Studies section of the theory, and demonstrates how its foundational arguments are based on a series of political and historical misunderstandings. The book received positive reviews from American linguist Noam Chomsky ...
