### **Reconciling Trade And Climate How**

Reconciling Trade and Climate How the  
WTO Can Help Address Climate Change.  
Elgar International Economic Law series  
Tracey Epps and Andrew Green. This  
timely book addresses the interaction  
between policies addressing climate  
change and the rules of the WTO.

### **Reconciling Trade and Climate**

Climate change could have have  
impacts on trade as well, for example  
affecting infrastructures like harbours  
because of rising sea levels. In fact there  
is a legal linkage between climate  
change and trade governance, primarily  
when it comes to the competitiveness  
impacts, for instance when governments  
put carbon pricing mechanisms in place.
