## Spanish Text Book

The book includes cultural notes along the text mixed with linguistic explanations and it is not culturally insensitive or offensive. I would add more cultural information and examples of linguistic and cultural diversity in the Spanish-speaking world. Comments. Spanish I is a good book to teach beginning level Spanish.

One of the first things you may be told when you start studying the Spanish adjective is that, unlike its English counterpart, it comes after the noun. But it doesn't take very much reading of Spanish to find out that the "rule" about word order is meant to be broken; it is actually quite common to place adjectives before nouns.
