Texas Board of Nursing - Education FAQ

There are two Clinical Document Review Panels; one in obstetrics and one in gynecology. The Clinical Document Review Panels review clinical documents that are developed by College Practice Activities Division committees before submission to the Board of Directors. The review is to ensure concurrence with College policy and scientific accuracy.

Committees - ACOG

As of March 2, "about 8.4 million children 12-17 have yet to receive their initial COVID-19 vaccine dose," the AAP said. About 64,000 children aged 12-17 had received their first dose in the previous week, the group noted, which was the second-lowest weekly total since the vaccine was approved for children aged 12-15 in May of 2021.

Children and COVID: Weekly cases at lowest level since ...

Dr. Wilkoff practiced primary care pediatrics in Brunswick, Maine, for nearly 40 years. He has authored several books on behavioral pediatrics, including "How to Say No to Your Toddler." Other than a Littman stethoscope he accepted as a first-year medical student in 1966, Dr. Wilkoff reports having nothing to disclose.
