Venture Capital Definition - investopedia.com

When Bill Gurley graduated, he wanted to be a venture capitalist. He went to New York for the first time in his life -- to beg for meetings with venture capitalists and was told "Don't even think about it kid. Go work for 20 years, and then come back." Gurley did not follow this advise. And there is no straight career path into venture ...

blog — The Business of Venture Capital

Venture capital can give your business the capital it needs for the next stage of growth. Equity investments are often a preferred way to grow without the debt burden of bank loans. With proper preparation and a solid vetting process, your business will attract a venture capital partner that can help it grow to its next level.
