Barriers to Creativity in the Digital Darkroom With more people at home lately, I've been receiving a lot of emails. Many of them ask about my processing workflow....specifically, the order of operations: what exact steps I take to get to my final image.

Barriers to Creativity in the Digital Darkroom ...

This is where your digital files are ingested, edited, and then output to either a digital realm or a physical print, so it is crucial that you pick up a computer that best suits your needs. A darkroom implies a relatively stationary area where all your tools are positioned so, in this case, a desktop will provide a much better option than a laptop.

The Creative Digital Darkroom [Book Review]

The "Creative Darkroom" is, in my judgment, the best book ever written on understanding and applying the power of Photoshop in the digital darkroom. It joins a long shelf of other Photoshop books in my "darkroom". Soon however, many of the others will be available on Amazon's used book market.
