Parents who set and enforce reasonable boundaries raise confident, successful children. Dr. Nancy Darling and Dr. Linda Caldwell found that effective parents explain the logic of the rules to their children. These parents state the principles behind the rules. In so doing, they form a closer, more understanding relationship with their children.

How to Raise a Happy, Successful Child: 25 Tips Backed by ...

This week's blog isn't about how to parent. Most of my blogs do focus on that in one way or another, but this week I just want to remind parents of how important they are, and to give them some props. It's a job that gets so little in the way of public affirmation, and all too often, plenty of criticism when things go wrong.

The Successful Parent
