If you aren't quite ready to make the switch from a manual transmission to an automatic one, you're pretty much stuck choosing between the Toyota Tacoma and the Jeep Gladiator.

The Last Pickups You Can Still Buy with a Manual Transmission

There's no practical reason for an electric car to have a manual transmission. But in the spirit of fun, Toyota designed one. This morning, I turned in my most recent press car, a 2022 Toyota GR86. Since I liked the last generation of the sports coupe enough to — quite seriously — consider buying one, I was curious about how much better the second generation would be.
