Washington's long war on Syria has not been kind to the country's citizens. The war has been fought in many ways over many decades, occasionally as a hot war, mainly as a cold war, at times visible, at other times concealed, at times fought directly, at other times fought through proxies, at times pursued through

Long War On

The United States had waged a long war against Syria from the very moment the country's fiercely independent Arab nationalist movement came to power in 1963. Assad, and his father Hafez al-Assad, an "Arab communist" in the view of hardliners in Washington, were committed to independence, both for Syria and the larger Arab world.

Washington's Long War on Syria - steel city scribblings

As to Washington's long war on Syria, it was largely unnoticed until 2011, and appears to be returning to an unnoticed-in-the-West phase, partly because it depends in large measure on economic coercion (which attracts far less attention than does kinetic warfare, even

Long War On

September 10, 2018.

The United States has a new strategy for Syria, according to The Washington Post and The Wall Street Journal. The new direction, however, is simply the old, largely unrecognized, one, transformed from a de facto status to official one by presidential authorization. In other words, an aggressive US policy on Syria will continue to be
