Working with Students: Discipline Strategies for the Classroom. by Ruby K. Payne

Working with Students: Discipline Strategies for the ...

Work With Your Child's Teacher . When parents work together with a child's teacher, it increases the chances that a child will be successful in school. Some children need modifications to their schoolwork, such as being allowed extra time on tests, to be successful. Behavior modifications may be necessary as well. Forcing a child with ADHD to stay in for recess may worsen behavior problems.

8 Discipline Strategies for Kids With ADHD

Because students with emotional and behavioral problems have a harder time staying motivated, keeping assignments short, or dividing larger projects into multiple short tasks can be very helpful. Make assignments "hands-on." Giving students a chance to do something in the real world helps keep them engaged.

How to Work with Students with Emotional and Behavioral ...

This discipline tool works best by warning children they will get a time out if they don't stop, reminding them what they did wrong in as few words—and with as little emotion—as possible, and removing them from the situation for a pre-set length of time (1 minute per year of age is a good rule of thumb).
